OHRAB Grant Program  
Mr. Fred Previts  
c/o The Ohio History Connection State Archive  
800 E. 17<sup>th</sup> Ave.  
Columbus, OH 43211

Dear Mr. Previts,

The Marlboro Twp. Historical Society (MTHS) is the grateful recipient of 2021 support from the Ohio History Record Advisory Board (OHRAB). Thank you!

With this grant, the MTHS has purchased an Epson Perfection V850 Pro Scanner, a Toshiba Canvio Advance 4TB Portable External Hard drive, and a Silicon Power Rugged Portable Hard Drive Armor A60 case. Additional archival supplies have not yet been purchased.

Volunteer, Jennifer Rice, has attended a webinar, 'Ohio Memory Partner Webinar: Archival Organization Basics & Digital Curation,' organized part of the collection currently in storage, set up the scanner and loaded the software. A total of 6.5 matching hours have been completed.

Based on volunteer availability, more extensive work sorting, organizing and scanning of archives will begin October 1, 2021. Access to archives will be made possible through the Ohio Memory Project. This project is expected to be 100% complete on or before December 31, 2021.

In appreciation for your support, public recognition was made on social media on May 10, 2021. A screen shot of that recognition is attached for you. We appreciate your support and look forward to the successful completion of this project!

Sincerely,

Vondea Sheaffer  
President  
Marlboro Twp. Historical Society

Thank you to the Ohio Historical Records Advisory Board for choosing to support MTHS! This grant will allow us to digitize some of our collection of artifacts and provide access through the Ohio Memory Project.
